AUDITOR'S CERTIFICATE

(Required by the State Board of Education from all
State Aided Districts)

This is to certify that I have examined the books and other financial records of the school board of Jefferson of which this is a true summary for the fiscal year ending June 30, 1950, and find them correctly cast and properly vouched.

MARGUERITE AYLING,

REPORT OF SUPERINTENDENT

*To the Superintending School Committee and the
Citizens of the Jefferson School District:*

Foreword

This report is being made at a time when the world is engaged in a great struggle between the ideologies of the democracies and that of the totalitarian governments. In this hour of world crisis when the rights of free men everywhere are being threatened with destruction, it is mandatory that we pronounce in a positive and unmistakable manner our belief in the Democratic Way of Life. We must not let anyone forget that liberty involves and re-

ANNUAL REPORT

quires the highest degree of individual and group responsibility. The stronger the thrust against us—the stronger must be our conviction and appreciation of our heritage.

We have said that democracy cannot exist without education. The opposite is also true. Education cannot grow and flourish without democracy. The schools must be our citadels of democracy in war or in peace.

Children are shaped by the entire community. Within the neighborhood are hundreds of forces that impinge upon them. In our hands, as parents and citizens, rests the obligation to see that on the home front the foundations of morality and culture are strengthened. We must strive to rise to the demands of a tremendous present, of a fateful future, as we face our task. The future of our country is in our hands.

Teachers

Due to resignations, there were several changes in the teaching staff of the district. Dean Downing, a graduate of Keene Teachers College, was employed to replace Albert Pia as teacher for Grades 7-8 and Hill School Principal. Molly Phipps, a Farmington Normal School graduate with previous teaching experience in Maine, replaced Nancy Klingensmith in Grades 5-6. Shirley Ingerson, a graduate of Plymouth Teachers College, became the new Meadows School teacher replacing Lena Rich. Mrs. Ingerson has previously taught several years in this area.

Louie Carlisle and Marguerite Ayling, teachers for Grades 1-2 and 3-4 respectively, returned to the same positions as held during the previous year.

Tuition

There were during the fall of 1950 thirty-two pupils enrolled at Lancaster High School and one at Berlin. Of those at Lancaster ten are seniors, so with thirteen at the Hill School in Grade 8 our number of tuition pupils is expected to remain about the same next year. The Lancaster High School tuition rate for 1951-52 has been set at \$175.00 per pupil.

TOWN OF JEFFERSON

Enrollment and Attendance

There are, at this writing, 109 enrolled at the two schools. Of these, 92 are at the Hill and 17 at the Meadows School. This figure represents a decrease of 11 in the total enrollment from last year's figure.

The percentages of attendance were in every case rather low. During the year we had a series of epidemics which contributed to the low percentages. The Grades 7-8 Room at the Hill had the best record with 94.94 per cent. On the matter of tardiness the Meadows School lead with a perfect record. No tardinesses for the entire year is a most commendable record.

Buildings and Equipment

The two buildings are for the most part in fairly good repair. During the summer new cloth curtains were installed in all the classrooms. A new drinking fountain was placed in the third-fourth grade room, the south side of the Meadows was shingled and the usual summer cleaning, minor repairs and improvements were made.

The buildings are fairly well equipped. A new set of Compton's Encyclopedias was brought for the Hill School and new world globes were placed in each school.

It is suggested that the district begin to give some serious thought to its future school housing needs.

School Calendar

It is proposed that the school board adopt the following school calendar for 1951-52.

First term (74 days)

September 5, School opens

November 22-23, Thanksgiving Recess

December 19, Wednesday, School closes

Second term (38 days)

January 2, Wednesday, School opens

February 22, Friday, School closes

Third term (34 days)

March 3, Monday, School opens

April 11, Good Friday, Closed

ANNUAL REPORT

April 18, Friday, School closes
Fourth term (34 days)
April 28, Monday, School opens
May 30, Friday, Memorial Day, Closed
June 13, Friday, School closes
School Year, 180 days.

Notes on the Budget

The School Board's total budget for 1951-52 is \$29,807.65 as compared with \$30,238.00 for last year. Practically all the items remained at the same level with the exception of teachers salaries and tuition. The board felt that additional money might be needed for salaries and it appeared that from the number of pupils less would be required for tuition.

The amount to be raised by taxation will be affected by the action of the legislature on the new state aid bill before it. The board did not attempt to estimate income from that source.

No special articles have been introduced into the warrant.

Conclusion

The schools are the community's opportunity for reaching all the children of all the people. It is our duty to provide their education, not education merely in terms of books, credits and diplomas, but education in terms of preparation for living and earning.

I take this opportunity to express my appreciation to the members of the school board, parents, teachers and citizens for the support they have given the schools during the past year.

Respectfully submitted,

ALBERT P. KNIGHTLY,
Superintendent of Schools.
